Re: Price update notification and new price list.

Dear Valued Customer,

With the current difficulties that we are all facing, particularly with the weakening value of the AUD, Aquarius Distribution will be increasing a range of items. Please see list below.

Price Update to be effective 1st June 2020

- Leadax – 7%
- Aquaseal Metal Roof – 7%
- LDX Versatile – 7%
- Aluminium Versatile – 7%
- Flexatile Versatile – 7%
- Moulded Washers – 10%
- Embossed Washers – 10%
- Grommets – 10%
- RedBack – 7%
- Complete Cover Plates – 7%
- Octopus RC32, RC40, RC50, RC65 & RC100 – 12%
- AquaTools (See price list) – 7%
- Plumtool – 7%
- Aqua Air – 7%

The good news

1. Our Versatile Lead Tiled Roof Flashings remain unchanged
2. Aquarius Distribution have several new ranges that are now available. See list below
 - Plumtool – Innovative tools for Plumbers
 - Kale – High quality hose clamps
 - Aqua Air – Quality ventilation products

I truly wish we hadn't had to make this decision however, for us to continue trading effectively, we have had to make this difficult decision to pass on these price increases.
